## 國立東華大學應用數學系應數講座

主講人:林英芬教授

國立東華大學應用數學系

講 題: Compact separating maps on continuous fields of Banach spaces

時 間:102年04月26日(星期五) 15:20-15:50

地 點:理工一館 A324 會議室

## 摘 要

I will first briefly introduce separating maps and then give a characterisation of compact separating maps between continuous fields of Banach spaces. In the talk, some applications will also be provided.
